Sponsorship Opportunities

By partnering with Glasgow Film Festival not only will you be associated with one of the top international film festivals, you will be investing in Glasgow Film, a registered educational charity. Central to Glasgow Film's year-round programme is our ethos of Cinema For All – the first cinema to host Autism Friendly screenings and regularly screen film with Audio Description, GFT is a pioneering leader in accessible cinema.

Sponsorship packages include **Major Partners** of the festival with benefits such as branding across the festival in print and online and at film premieres, product placement, sampling and tickets to premieres including Opening and Closing night parties; naming rights for the **Audience Award**, our only award which is voted for by the public; sponsor the **Festival Volunteers** and display your company logo on their T-shirts plus on-site branding at the Volunteer Centre; and the **Festival HQ**, the press and industry centre for all the key players of the industry.
