Support GFT – A Brighter Future

The proposed new GFT Foyer and butterfly staircase

It's the audience that brings the buzz, atmosphere and energy to any arts organisation, and we're determined to make sure that GFT is open to as many people as possible.

As a registered charity and listed building, we depend on the generosity and support of loyal audiences to continue our work.

In 2012, we began fundraising to build Cinema 3 and improve access to GFT for people of all ages, backgrounds, communities and abilities. In 2013 we opened our award-winning third screen and created a new accessible entrance lobby and box office. In 2016 we want to finish what we started: install a second accessible lift, complete the refurbishment of the foyer, bars and education suite, and bring back the grandeur of a butterfly stairwell in the foyer, evoking the Cosmo, GFT's legendary predecessor. This will secure GFT's future for generations to come. The entire project will cost £3 million, and we're over 90% of the way to reaching that target.

Help us raise the final 10% to make this exciting project happen.

GFT – A Brighter Future

As funding for the arts and charities gets tougher to find, we believe the GFT needs to stand firmly on its own two feet to keep developing the diverse programme of film and festivals you enjoy. This appeal will help us to do exactly that. With your help GFT is going to provide for you:

A beautiful cinema

Reinstating the butterfly stairwell evoking the heritage of the Cosmo

Access to all areas

An accessible lift to the bars, toilets, offices and learning room

Stylish bars for film lovers

Meet your friends or make new friends and mingle with filmmakers and stars

A cinema for inquisitive minds

Dedicated to learning for all, transforming your life through film and sharing your love of cinema with future generations

A brighter future

GFT will be able to earn more and so depend less on grants to support our work as a charity
