

From the new Alex Garland thriller *Men* to the critically acclaimed *Good Luck To You, Leo Grande*, there is something for everyone this month. We are celebrating the work of producer, screenwriter and unseen heroine of US cinema Polly Platt in this month's CineMasters, and we are introducing *Scorsese of the Month*, a new season to celebrate the work of auteur Martin Scorsese. Classics such as *Get Carter* and the iconic *Psycho* are coming to the big screen in 4K, along with special screenings of *But I'm A Cheerleader*, chosen by the GFT Youth Board, and the National Theatre of Scotland's *Adam*. All this and more at GFT this June!
